Business Plan:-

- BV(Business Volume) that is 60% of food package value you purchase. For example:- if the food coupon value is Rs.6000/-, in this 60% is business value. That is Rs.3600/- similarly all food coupon has 60% as business value.
- In this business volume income is devided into 6 category:-
 1. Direct referral 10%
 2. Smart referral- 5.5%
 3. ODFB (Override Direct FBO Bonus)-50%
 4. ODP (Own dream property) referral- 1%
 5. PSB (profit sharing Bonus)- 1.5%
 6. Rank Bonus

How the Business plan works:-

1. Direct Referral Income

- When you refer someone who joins the business by purchasing any package, you earn 10% of their Business Volume (BV).

Example:

- A new member purchases a ₹6,000 package.
- $BV = 60\% \text{ of } ₹6,000 = ₹3,600$
- Your Direct Referral Income = $10\% \text{ of } ₹3,600 = ₹360$

Key Points:

- The more people (IDs) you refer, the more 10% BV commissions you earn.
- This is unlimited – there's no cap on how many people you can refer.
- Applies to every direct referral made by you, regardless of the package size.

2.Smart Referral (5.5%):-

Smart Referral is an additional bonus given when someone refers 2 or more IDs. It works alongside the 10% Direct Referral income.

✓ How It Works:

- Direct Referral: You earn 10% of BV for each ID you directly refer.
- Smart Referral: For every pair of IDs, you also earn an additional 5.5% of BV.

► Example 1: 2 IDs referred

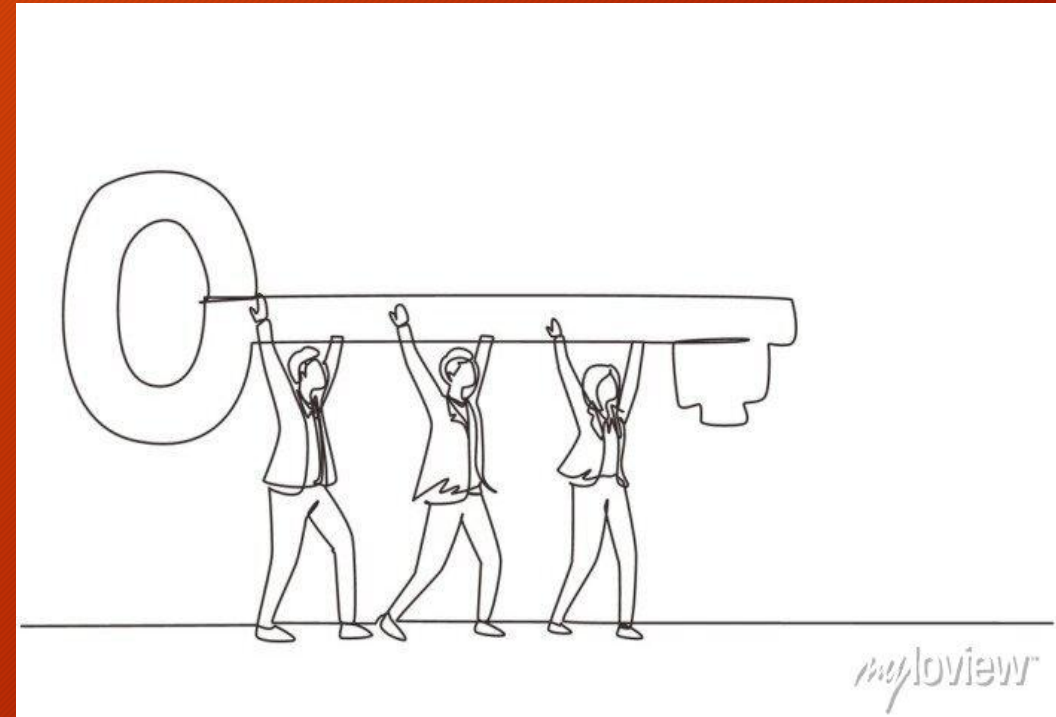

- Each ID has BV = ₹3,600
- Direct Referral = $10\% \times 2 \times ₹3,600 = ₹720$
- Smart Referral = $5.5\% \times ₹3,600 = ₹198$ (on the pair)
- ✓ Total = $₹720 + ₹198 = ₹918$

3.ODFB (Override Direct FBO Bonus):-

The Override Direct FBO Bonus gives you a 50% bonus on the income earned by your direct referrals. For instance, if one of your referrals earns Rs.10,000, you receive an additional Rs.5,000 as a bonus.

4.ODP (Own Dream Property):-

- A person who has purchased Rs.59,500/- package, he gets Rs.9,500/- food package, in that 60% is Business Value, that is Rs.5,700/-. You will get 10% of direct referral on it. And the remaining Rs.50,000/- is considered as real estate advance. And also you will get 1% direct referral on Rs.50,000/-

5.PSB (Profit Sharing Bonus):-

- For example:- a person who has purchased Rs.59,500/- package, he will get all the above facilities like the food coupon and the percentage of business value. And with this he also gets 1.5% of PSB (Profit Sharing Bonus) for the amount of Rs.50,000/- every month, which he has invested for property. This PSB continues until he gets the property. And also he gets 20% discount on plot value while purchasing the site.

6. Rank Wise Income Summary:

- Anyone who joins BFC by purchasing a package becomes an FBO (Family Bread Organizer).
- As your team grows (e.g., reaching 25, 50, 100 members, etc.), you qualify for rank bonuses.
- Example: Upon reaching 25 team members, you earn the FOUNDER rank and become eligible for a 10% bonus from the company's turnover for the next month. This bonus is shared among all achievers of that rank.
- As you continue to achieve higher ranks, you receive corresponding bonuses based on company turnover.

Founder Rank Bonus:-

- This is a single-line business model. As new people join, they are placed directly under the last ID in the line.

How to Achieve Founder Rank:

- When 25 IDs are added under your line, you qualify as a Founder.
- These 25 IDs don't have to be personally referred by you — just added under your ID in the system line.

Founder Bonus (10% Sharing):

- After achieving the Founder rank, you become eligible for 10% of the company's Business Volume (BV) turnover in the next month.
- This 10% is shared equally among all Founders in that month.

Example Calculation:

- Let's say you achieve Founder rank in March.
- In April, the company gets 25 new IDs, each with ₹3,600 BV (as per previous examples).
 - Total BV in April = $25 \times ₹3,600 = ₹90,000$
 - 10% of ₹90,000 = ₹9,000
